

## Knockconan N.S. Policy on the Stay Safe Programme

Knockconan National School teaches the Stay Safe Programme, a teaching package designed for use in Irish primary schools. It was researched and developed by the Child Abuse Prevention Programme. The principal aim of the programme is to prevent both physical and sexual abuse of children.

Under Child Protection Guidelines all schools are obliged to teach the Stay Safe programme. The Stay Safe Programme has been updated and from the 2018-2019 school year onwards, the revised Stay Safe Programme will be implemented in its totality in each class in the school.

Stay Safe is taught as part of the SPHE (Social Personal and Health Education) curriculum and as per best practice recommendations it will be taught on a rolling two-year cycle in the second term of the year. In alternate years the RSE (Relationships and Sexuality Education) programme will be taught except in 6 Class where the sensitive topics are covered every year.

Children from Junior Infants to Sixth Class participate in formal lessons on the Stay Safe Programme.

Parents/Guardians are encouraged to become involved by discussing each lesson with their child and helping their child to complete each worksheet based on the lessons in the programme.

Parents are informed in advance of commencement of teaching the Stay Safe Programme. They are directed to [www.pdst.ie/stavsafes](http://www.pdst.ie/stavsafes) to see the content of the lessons and for any further information they might need.

Staff will be facilitated to attend CPD training on the revised Stay Safe programme.
